

CAVE CREEK UNIFIED
Education Foundation
Inspiring Futures

Dear Sir or Madam:

Cave Creek Unified Education Foundation (CCU Education Foundation) is an Arizona non-profit foundation supported by community members, local businesses and corporations all committed to maintaining Excelling Schools within the Cave Creek Unified School District located in North Scottsdale, Arizona. Our mission is to provide the district with supplemental funding necessary to achieve excellence in education. This is accomplished through fundraising, donations, grants, and endowments that support this vision.

On March 4th, we are holding our 8th annual fundraiser called Rock The District at the Stagecoach Village in Cave Creek, AZ. All of the money raised from Rock The District goes directly into the CCUSD classrooms through grants in support of: ***technology, music and the arts, international learning and health and wellness***. Rock The District has grown considerably over the years, and we are expecting a crowd of **over 700 attendees from within our Cave Creek, North Phoenix, Scottsdale and Carefree communities**. One of the most popular components of the concert each year is a raffle and silent auction of items donated from businesses.

We are writing to request your consideration of a donation of a gift certificate/apparel/souvenirs to be included in the silent auction during this year's concert. We believe that your donation would be very popular with our attendees and would allow your company to have visibility on a large scale with your target demographic. We have several levels of acknowledgement available:

- Donation total value up to \$100 includes business name listed on our Rock The District website and social media
- Donation total value between \$101 and \$250 includes the same as above and 2 Adult General Admission tickets
- Donation total value over \$250 includes same as above plus 2 additional Adult General Admission tickets and vocal mentions of company during the concert.

Again, thank you for supporting the students and teachers of CCUSD through this great community event!
